Especial telegram to the Dispatch.]

RALETOR, N. C., May 22.—The ceromonics of the laying of the first brick of the mechanical building at the Agricultural and Mechanical College here were postponed until to-morrow afternoon on account of the death of Colonel W. E. Anderson. The funeral of Colonel Anderson was held from Christ church this afternoon. All business was supended. The ceremonies were in charge of the Grand Lodge of Masons, of which for a quarter of a century he had been the grand treasurer. Fabins H. Busboe acted as grand master, and there was a very large attendance of Masons. The city officers and aldermen, the Ladies' Memorial Association, bank officials, and members of the Capital Club also attended. The funeral was one of the largest ever seen here. The services were conducted by Bishop Lyman, assisted by six clergymen. The funeral was at Oakwood cemetery, and there Colonel Anderson was laid to rest beside the body of General George Burgwin Anderson, his brother. The building of the Grand Lodge of Masons is draped in mourning, as are also the Bank and Capital clubs. Governor Fowle and State-Auditor Sanderlin returned to-day from Charlotte.

The firemen who went from this city also returned to-day from Charlotte. The Capital Hose Company brought back the championship medal for the 300-yard race, which it will hold for another year, unless there is a race between it and the Greensboro' company. Raleigh and Fayetteville will probably withdraw from the State Firemen's Association.

The Governor will be asked to offer a reward for Laffin Herring, who is wanted for slaying Charles Purcell in Robeson county. Herring is in the swamp.

A great number of young shad were to-day placed in streams in Sampson county by the United States Fish Commission.

[Special telegram to the Dispatch.]

RALKIOH, N. C., May 22.—In Robeson County Superior Court William Childs, a negro, was sentenced to the county chains and the region of two years for obtaining money under false pretences. His plan was novel. He travelled through the country telling the negroes that he was authorized, as agent of President Harrison, to collect \$2 from each one of his race, and gave a certificate that every one who paid this amount would receive \$200 in return. He had succeeded in gathering several hundred dollars, when his scheme was exposed by some of his dupes and he was arrested.

The Supreme Court to-day received a portrait of Justice James Iredell, which will be placed upon the walls of the court-room.

Horrible Death. ispecial telegram to the Dispatch.

RALEIGH, N. C., May 22,—In Moore county R. J. Watson, a prominent citizen, had a remarkable escape from a horrible death. He was waking on a public road near Sanford when a mad bull met him near Sanford when a mad bull met him and at once began a furious attack, overtook him and pinned Watson against a gate. Watson's body was between the horns, and the bull pressing with all his might gave the man the most excruciating torture. Watson cried for help and a woman came up on the other side of the gate and beat the bull's head with a rail. Occasionally she struck the helpless victim. Suddenly the gate gave way and Watson and the woman escaped. Watson is badly hurt.

fspecial telegram to the Dispatch. I
Farderickshure, Va., May 22.—An adjourned meeting of the proposed Northern Neck Railroad Company was held in the Opera-House here to-day—Mayor A. P. Rowe presiding and R. B. Merchant secretary. Letters stating the interest the people throughout the Neck take in the proposed road were read from J. E. R. Crabbe, of Westmoreland, and Dr. J. S. Massay, of King George, also letters of inquiry from Henry Altman, Esq., of New York. These were referred to appropriate committees. Henry Altman, Esq., of New York. These were referred to appropriate committees. Interesting statistical reports from Robert Hall, of Richmond county, and J. E. R. Crabbe, of Westmoreland, were read and ordered to be printed in pamphlet form. Information as to right of way and survey was presented and steps were taken for the consummation of the same at the earliest practicable moment. The Statistical Committee was increased to two from each county, with instructions to report as early as convenient.

SUFFICIENT CAPITAL TO BE HAD. William A. Jones, Esq., of Richmond ounty, chairman of the Committee on Cap-

county, chairman of the Committee on Capital, made a general report, embracing conferences and correspondence with prominent railroad corporations, which were very satisfactory and encouraging. He was sanguine that sufficient capital could be secured to construct the road, provided the counties along the line would lend reasonable aid, which he thought they would no doubt be willing to do.

Among those present were J. A. Palmer and Howard Hathaway, of Lancaster county; Hon. J. J. McDonald and Lloyd T. Kmith, of Northumberland; Hon. W. A. Jones, Robert Hall, R. Carter Welltord, Dr. L. G. Mitchell, and J. T. Omohundro, of Richmond county; Hon. William Mayo, of Westmoreland; Hon. J. E. Mason, exJudge Hunter, and F. W. Payne, of King George; Judge T. N. Welch, of Caroline; Hon. A. P. Rowe, A. K. Phillips, Jr., Captain M. B. Rowe, Hon. William A. Little, Jr., A. P. Rowe, Jr., John G. Mason, General Daniel Ruggles, and E. W. Smith, of this city.

resolution was also adopted urging the Committee on Statistics to prepare their reports and forward them to the President as soon as possible.

The meeting adjourned subject to the call of the President.

Nonroux, Va., May 22.—The election for municipal offices passed off very quietly to-day in both cities, a light vote being polied.
